TO WHOM IT MAY CONCERN

16th September 2013

Dear Sir/Madam,

During the recent summer holiday period, H&M Property Services undertook several refurbishment and construction projects on our behalf.

Projects completed by H&M Property Services included:

- Installation of three low level classroom kitchenette areas with sinks.
- Complete installation and refurbishment to our nursery toilets, this included the sourcing and installation of a new jungle themed toilet cubicle system.
- Building work involving cutting a hole in an internal library wall and the fitting of a lintel and a new sliding window
- Plastering and decoration to damaged classroom walls.

We found Mr Faulkner and his team to be professional, reliable, trust worthy, very efficient and most of all competitive.

All of the work was completed on schedule and finished to the highest standard. We found all members of the H&M Property Services team to be very conscientious, they ensured all areas were thoroughly cleaned once the work had been completed and that all waste materials was removed from the school site at the end of each day.

We would have no hesitation in recommending H&M Property Services and we would certainly be looking to use their services again for future projects.

Yours faithfully

Peter Andrews
